Subject: Breach of Copyright / Plagarism

Dear Sir, You have directly copied numerous pages of content from our web site all of which is recorded on each page of our web site as copyright protected.

Your deliberate attempt to plagiarize our website is illegal and our Legal Team has recorded photos of all pages from www.secureplatformfunding.com that you have directly copied and placed on your website, falsely claiming it to be your own.

You have 48 hours to remove all Secure Platform Funding copyright protected content from your website, if you fail to do that, we will commence the following actions:

- 1/ We will post a blog on our web site showing photos from your web site of all content you have stolen from us
- 2/ We will post a public notification on ripoffreport.com listing the theft of our website content by you and posting photos from your web site as evidence
- 3/ We will lodge a copyright infringement complaint with your ISP requiring they remove your web site because it features stolen content from www.secureplatformfunding.com
- 4/ Our legal team will immediately commence action against you for theft, loss of revenue, plagiarism and seek 20 Million dollars in costs and damages against you personally and your company.

We take the protection of our intellectual property very seriously and will both defend uniqueness of the intellectual property that we have created and expose thieves like yourself who have deliberately copied it without authority or permission.

You have 48 hours from receipt of this email before we commence action against you.
