Dear Mr Hanson

It blows my mind that you think you can steal all the intellectual property from our web site, ignore the legal notices we have served on you for Breach of Copyright, Plagiarism and Theft of Intellectual Property and your own staffs commitment to remove all of Secure Platform Fundings stolen content from your website, and then try and use Secure Platform Fundings services to meet expectations you have falsely given to your own clients!

Under no Circumstances will Secure Platform Funding EVER deliver ANY type of service to Eugene Hanson, The Hanson Group of Companies or any staff person or broker associated with you!

We don't work with Thieves, Con Artists or individuals like The Hanson Group of Companies who operate with No Ethics, No Integrity and No Honesty.

Why did you try and hide that you were Eugene Hanson from TheHansonGroupOfCompanies.com by writing to me from eu-mobile-1@consultant.com and making no reference in your email to The Hanson Group of Companies?

Why don't you have the integrity to remove ALL the Secure Platform Funding Content from the TheHansonGroupOfCompanies.com website?

Why don't you have the integrity to tell your customer Machaba Mining that you lied to them and mislead them and have zero association with Secure Platform Funding?

And finally Mr Hanson, why do you list Secure Platform Funding on your Forbidden Assets and Instruments Providers List (All of which you stole from our web site)

See: <http://www.thehansongroupofcompanies.com/banned-assets-providers/> & https://www.secureplatformfunding.com/banned_assets_and_financial_instrument_providers/

You "Publicly" list Secure Platform Funding as a Banned Provider but "Privately" you are sending us client files asking us to deliver service to you! The hypocrisy of your actions is disgusting.

Yours Faithfully

Mr Bruce Green
