Digital Millennium Copyright Act Breach

FORMAL TAKE DOWN NOTICE

9 December 2016

My name is Bruce Green and I am the CEO of Secure Platform Funding who owns and operates the web site www.SecurePlatformFunding.com. A website that your company hosts (according to WHOIS information) is infringing on at least multiple copyrights owned by our company.

An article was copied onto your servers without our permission, authority, knowledge or consent, breaching our copyright and causing immediate harm to our business. You are required to IMMEDIATELY REMOVE THE UNAUTHORIZED AND INFRINGING COPY THAT HAS BEEN STOLEN FROM OUR BUSINESS.

The original ARTICLE/PHOTO, to which we own the exclusive copyrights, can be found at:

WEBSITE URL: <https://www.secureplatformfunding.com/>

The unauthorized and infringing copy can be found at:

WEBSITE URL <http://bondmasterfinance.com/>

Your client has copied OUR ENTIRE WEBSITE without our authority or permission!

This letter is official notification under [Section 512\(c\)](#) of the Digital Millennium Copyright Act ("DMCA"), and I seek the removal of the aforementioned infringing material from your servers. I request that you immediately notify the infringer of this notice and inform them of their duty to remove the infringing material immediately, and notify them to cease any further posting of infringing material to your server in the future.

Please also be advised that law requires you, as a service provider, to remove or disable access to the infringing materials upon receiving this notice. Under US law a service provider, such as yourself, enjoys immunity from a copyright lawsuit provided that you act with deliberate speed to investigate and rectify ongoing copyright infringement. If service providers do not investigate and remove or disable the infringing material this immunity is lost. Therefore, in order for you to remain immune from a copyright infringement action you will need to investigate and ultimately remove or otherwise disable the

infringing material from your servers with all due speed should the direct infringer, your client, not comply immediately.

I am providing this notice in good faith and with the reasonable belief that rights my company owns are being infringed. Under penalty of perjury I certify that the information contained in the notification is both true and accurate, and I have the authority to act on behalf of the owner of the copyright(s) involved.

Should you wish to discuss this with me please contact me directly. Immediate, urgent action to remove our stolen intellectual property is required!

Yours Faithfully
Secure Platform Funding
