Subject: False Information on Whistleblowers.info - Please Remove

Attention: David Rea, Whistleblowers.info Owner

Dear David,

The information you have published on your site Whistleblowers.info is actually false:
<http://thewhistleblowers.info/warning-the-phantom-fraudster-known-as-bruce-green-at-secure-platform-funding-is-known-to-associate-with-fraudster-francesco-osanna-at-osanna-advisors-srl-in-italy-offering-fake-ppps-monetiza/>

Here are the Facts:

1/ I have never personally met Francesco Osanna or any of the staff from Osanna Advisors in Italy

2/ I have never attended Francesco Osannas offices in Italy,

3/ Secure Platform Funding actually lists BOTH Francesco Osanna and Osanna Advisors on the Banned Providers list on our website here:

https://www.secureplatformfunding.com/banned_assets_and_financial_instrument_providers/

4/ Our website also lists Francesco Osanna as (2018 BIGGEST SCAMMER)

5/ We have actually lodged complaints about Francesco Osanna with the UK Police, Italy Police and Interpol.

So Secure Platform Funding is about as far from Associating with Osanna as you can get! Please remove that erroneous information from your website immediately.

The other references on your site regarding Secure Platform Funding are also Fake. We have answered all these fake allegations a long time ago here:

- <https://www.secureplatformfunding.com/scammer-allegation-response/>
- <https://www.secureplatformfunding.com/brucegreen/>

I support Whistleblowers efforts to expose scammers as Secure Platform Funding also actively exposes scammers. But it is very dangerous for Whistleblowers to be posting fake posts and openly erroneous information from 3rd parties. That damages the industry and doesnt give your website credibility.

No one wants Whistleblowers to be another erroneous gossip web site that publishes knowingly false information from jealous competitors or scammers we have exposed that make up stories about fake deals, fake losses and fake customers that never existed just to try and get back at us.

Secure Platform Funding and Whistleblowers have enjoyed a positive relationship in the past and I hope that continues into the future.

Please remove the false information on your site regarding Secure Platform Funding. Its not accurate, factual or honest.

If the information isnt removed our Attorneys reserve the right to commence legal proceedings against you for publishing knowingly false information.

Yours Faithfully

Mr Bruce Green
